

## Monkey Mia Adventure onboard the *Leeuwin II*

Travel to Monkey Mia onboard Australia's largest dedicated sail training tall ship, *Leeuwin II*. These 7 day/6 night voyages are a once-in-a-lifetime experience so don't hesitate to reserve your berth for this adventure.

**Voyage 11/08: Depart Fremantle Friday 22 April, Arrive Monkey Mia Thursday 28 April**

**Voyage 11/09: Depart Monkey Mia Sunday 05 June, Arrive Fremantle Saturday 11 June**

**Cost: \$1,800 per person (one way), includes all meals and sailing equipment.**

The 1850-style Barquentine tall ship sails along the stunning WA coastline throughout the year and lets you experience what life would be like on an ocean-crossing voyage. This truly unique adventure is suitable for people aged 14 and up, and is designed to be both physically and mentally challenging.

*Leeuwin II* is a working ship. This means that everyone onboard is required to participate fully in the daily operations and workings of the ship such as setting sails, hauling lines, standing watch during the day and night, taking the helm, navigation, plus all the other wonderful experiences which are part of sailing a magnificent tall ship. All participants are also expected to help out with a daily ship clean and galley duties if needed.

The ship sleeps 40 participants in basic yet comfortable accommodation. The ship also sails with 5 permanent and up to 10 volunteer crew members.

All voyages are fully catered with plenty of great food cooked by the onboard chef. All meals are served in the main saloon, the social hub of the ship, and there is a constant supply of warm drinks, fresh water and fresh fruit.

The Foundation was recently awarded *Sail Training Organisation of the Year 2010* by Sail Training International (STI) for best practice and innovation in sail training programs. If you are interested in experiencing a once-in-a-lifetime ocean adventure - why not do it with the #1 sail training organisation in the world!

**We still have berths available on this voyage, reservations and enquiries can be made by calling the office.**
